Membership Status:

Membership in the Episcopal Church is a voluntary commitment to meet a set of standards. Church law defines a *Member* as a person who has given their baptism information to the parish staff and asks to have it recorded in the church records. An *Unbaptized Member* is just that, a person who enjoys our ministry and worship, but has not been baptized. The next step is "*Communicant*," a *Member* who receives Holy Communion at least three times a year. A "*Communicant in Good Standing*" is a communicant who is faithful to worshipping, praying, giving and working for the spread of God's Kingdom. St. James also has a category of "*Friend of St. James*," a person who may not want to join this congregation but wants to be informed of our events, take part in worship and activities, and be asked for donations.

Our household would like the church to consider me/us to be a:

Member Unbaptized Member Communicant Communicant in Good Standing Friend of St. James
 I would like to be taken off the Active Membership Roster

I do do not want to receive *The Chimes* Newsletter
